

**REMARKS**

In the Office action, the Examiner has determined that claims directed toward two species of the generic invention are presented in the present application, and has required applicant to elect a single species for prosecution on the merits and to which the claims will be restricted if no generic claim is held allowable.

The species defined by the Examiner are:

Species A – Claims 2 and 5

Species B – Claims 3 and 6

The Examiner considers claims 1 and 4 to be generic.

In response to the restriction/election requirement, applicant hereby elects, without traverse, Species A and claims 1-2 and 4-5 that read thereupon.

If it is determined that the application is not in a condition for allowance, the Examiner is invited to initiate a telephone interview with the undersigned attorney to expedite prosecution of the present application.

If there are any additional fees resulting from this communication, please charge same to our Deposit Account No. 18-0160, our Order No. KOY-16877.

Respectfully submitted,
